For Immediate Release, February 22, 2006:

SUBJECT: Board Meeting 02-21-06

At the February 21st board meeting, the Directors approved a revised Senior Low Income Discount plan.

Following the public hearing, the Board of Directors voted unanimously to approve the proposed revisions to the Senior / Low Income Discount Program. The revised program, which will be effective March 1st, raised the maximum gross income from \$23,000 to \$30,000 and established a limit on the discount. The Discount, which will remain at 20%, will only apply only to the first 26 units of water used per two-month billing period. Water used over that threshold will be billed at the full rate. 26 Units of water or 26 thousand gallons, is the average amount of water used in a single family home in the La Crescenta area.

To be eligible for this program you must be 65 years of age or older, have a gross annual income of \$30,000 or less and have been a District customer for at least 6 months. Proof of age and income are required with the initial application and bi-annual renewal. Please contact the District at 818-248-3925 if you have any questions or would like to participate in the program.
