

## **Farewell to Director Weber!**

After ten wonderful years of service to the district, Ernest (Ernie) Weber has decided that it is time for him to move on and take up residence in Portland, Oregon along with his wife, children, and grand children.

Ernie served on the Crescenta Valley Water District's Board of Director's for 10 years. In those years he played a vital role in making decisions and shaping policies that affect the day to day lives of everyone in the La Crescenta area.

Director Weber's resignation has left an opening on CVWD's five (5) member Board of Directors. The

Board of Directors will review applications for this opening and will appoint someone to serve the remainder of Director Weber's term by the end of September.

CVWD will be accepting resume submissions for this appointment until August 24, 2007. Resumes can either be mailed or delivered to CVWD. Interested community members can also email their resumes to CVWD at [cvwd@cvwd.com](mailto:cvwd@cvwd.com).

This is a very exciting time in the water industry and a wonderful opportunity for people to get more active in their community by helping to shape the future of water in the area.
