***Be Smart, Be Green,  
Save Water, Save Money,  
Switch to a new  
High Efficiency Toilet (HET) today!***

***Replacing one older model toilet with a new HET with 1.28 gallons per flush can save about 38 gallons of water each day.***

Efficiency measures such as replacing old, water-guzzling toilets with the latest high efficiency toilet technology will help ensure that our future water supplies will be adequate and also help us maintain low water rates.

**Additional rebates are offered for turf replacement, weather-based irrigation controllers, rotating sprinkler heads, washing machines and rain barrels.**

**For more information, please visit the District website, [www.cvwd.com](http://www.cvwd.com) or call the District at 818-248-3925.**

**Eligibility Requirements**

1. Applicant must be a current account holder who receives water from CVWD.
2. If you are the water account holder but not the legal property owner, you **MUST** obtain the signature of the legal property owner on the Water Conservation Rebate application. By signing the application, the property owner waives his/her claim to the rebate.
3. New toilets must replace existing units currently using a volume of at least 3-5 gallons per flush.
4. New projects or construction projects requiring a building permit are **NOT** eligible for any toilet rebates.
5. Water District representatives must be permitted to inspect property for a pre and post inspection in order to verify installation. Inspections will be available during the hours of 7:00AM to 3:00PM, weekdays only.
6. Only complete toilets, tank and bowl, are eligible for rebate.
7. Rebate will be applied to customer's water account.
8. Crescenta Valley Water District reserves the right to alter the requirements or cancel this program at any time without prior notice.
9. Limit of 4 Toilets per household.
10. This program is not retroactive and is valid **ONLY** on qualified toilets purchased **AFTER** July 19, 2010.
11. Funding is limited, and submitting a rebate application does not guarantee you will receive a rebate. Rebates will be issued on a first-come, first-served basis until funding is exhausted.

Please complete the Water Conservation Rebate Application on the front of this form, attach **original** proof of purchase and mail or deliver to:
