Action Calendar

1. MWD Allocation

The adoption of MWD's Water Supply Allocation Plan (WSAP) will be on agenda at MWD's April Board Meeting.

2. Moving to Orange Alert (2-days per week watering)

FMWD and La Canada will be moving to two days per week watering "Orange Alert" sometime in April pending FMWD Board Approval. The "WET Group" (Burbank, Glendale, Pasadena, South Pasadena, CVWD, and FMWD), will not meet until April 9th. Staff recommended to Committee to wait until after MWD's adoption of the WSAP and coordination with the WET Group can take place to consider two days per week watering, "Orange Alert". The Committee concurred with that recommendation and asked that the press be invited for the official sign changing at the office.

3. Revision of the District's Water Conservation Ordinance

To be in compliance with the State Water Resources Control Board (State), emergency regulations for urban water conservation, the District needs to amend one line in Resolution 682 and Appendix G as follows:

From: No irrigation shall take place... on days when it is raining

To: No irrigation or watering of turf or ornamental landscape during and 48 hours following measurable precipitation.

4. Participation at the May 16th Auto Show at CV Park

The District has been asked to participate in Armed Forces Day Tribute Car Show, Saturday, May 16th from 10:00 a.m. to 3:00 p.m. The Committee did not support District expenditure on this event, but did not object to Board attendance.
